A Plea to Allah for Taufiq & Forgiveness

Recited by Hazrat Maulana Mohd. Yunus Palanpuri

Wash all the filth away & change my dead heart, } 2x
Make me alive again, give me a fresh start,
So change my heart please & wash the filth away, } 2x
Don't leave me drowning here alone & astray,
I spent my life running away from You,}2x
And now I have nowhere to turn except You,
I turn to You and begging you to be saved}2x
and change me into an obedient slave…
Wash all the filth away & change my dead heart,
Make me alive again, give me a fresh start,
I have been doing all my life what I craved,}2x
Shaytaan & Nafs have always held me enslaved,
I am ashamed that I have broken Your rules,}2x
Worshipped my Nafs & a few ignorant fools, } 2x
But now I know the path leading me to Thee,
I bow to You am asking You to help me…
Wash all the filth away & change my dead heart,
Make me alive again, give me a fresh start,
I wish Your name to be engraved in my heart,}2x
I will be grateful to You, change this dead heart,
My heart is dark & so my eyes remain dry,
Hypocrisy & Hubris won't let me cry…
I am at Your door and begging You, let me in,
Don't push me back to my hopeless life of sin,
I am at Your door and begging You, let me in,
Don't push me back to my hopeless life of sin…
So change my heart & forgiye my sins this day,
Don't leave me drowning here alone & astray,
So change my heart & forgive my sins this day,
Don't leave me drowning here alone & astray…
Wash all the filth away & change my dead heart,
Make me alive again, give me a fresh start,
Wash all the filth away & change my dead heart,
Make me alive again, give me a fresh start... !
